

“Smart, raffish and wickedly playful...Delightful!” -- *Janet Maslin, New York Times*

Living in Oblivion *The 20th Anniversary Edition*

Acclaimed Indie Classic Makes its Blu-ray Debut November 17th, 2015 from Shout! Factory

An inventive, hilarious look behind the scenes of the movie-making business, the indie classic *Living in Oblivion* makes its Blu-ray debut with Shout! Factory's release of *Living in Oblivion: The 20th Anniversary Edition* on November 17th, 2015. Since its release in 1995, this smart, critically acclaimed satire from award-winning writer/director Tom DiCillo (*Johnny Suede*) has become a cult favorite for its affectionately acerbic portrait of the indie film world. Boasting a bevy of bonus features, *Living in Oblivion: The 20th Anniversary Edition* offers fans an in-depth look at the history of the film, including the brand new featurette *In Our Own Oblivion: The Miracle of Making a Film* with new interviews with writer/director Tom DiCillo, producer Marcus Viscidi and cast members Steve Buscemi, James Le Gros, Danielle Von Zerneck, and Peter Dinklage; an audio commentary with writer/director Tom DiCillo, a Q&A with Tom DiCillo and Steve Buscemi, and a deleted scene.

In *Living in Oblivion*, the leading man has just had a disastrous one-night stand with the leading lady; the cinematographer is breaking up with the assistant director; the director's mother has wandered onto the set; and the little person hired for the dream sequence has a big attitude. Winner of Waldo Salt Screenwriting Award at the 1995 Sundance Film Festival and featuring powerhouse performances from an all-star ensemble cast including Steve Buscemi (*Reservoir Dogs*), Catherine Keener (*Being John Malkovich*), Dermot Mulroney (*August: Osage County*), James Le Gros (*Justified*) and Peter Dinklage (*Game of Thrones*), *Living in Oblivion* is a must-see for anyone with a love of indie film.
